

HEALTH FACILITIES AT BHARTI VISHWAVIDYALAYA

Bharti Vishwavidyalaya has established a Memorandum of Understanding (MOU) with Bharti Ayurved Medical College and Durg Hospital. The Jug Mahadev Education Society operates this institution, which is also based in Durg. Our university offers professional medical study programs and provides facilities for research.

Bharti Ayurved Medical College and Hospital uniquely combines the time-honored principles of Ayurveda with contemporary medical practices to deliver comprehensive healthcare services. Our institution is committed to promoting comprehensive well-being and aims to lead in education, research, and patient care.

Key Features of Our Institution:-

Expert Care: We provide professional healthcare services led by experienced practitioners.

Comprehensive Ayurvedic Care: We offer a wide range of Ayurvedic treatments tailored to meet individual patient needs.

Accredited Education: Our programs are nationally recognized, ensuring quality and credibility.

Affordable Healthcare: We strive to make healthcare accessible and affordable for all.

Integrated Medical Approach: We employ a holistic model that integrates various medical disciplines for optimal patient outcomes.

Bharti Ayurved Medical College and Hospital is committed to advancing health and well-being through an integrated approach to medicine.
