&

SYLLABUS

Of

DIPLOMA IN YOGA

UNDER

FACULTY OF HEALTH & ALLIED SCIENCE

(Approved by Board of Studies)

Effective from Nov. 2021

DIPLOMA IN YOGA

THE NEED

Yoga is the chief remedy for all miseries and sorrows in the world. There is a growing need with the increase in popularity of Yoga all over the world for well trained Yoga Instructors having sound knowledge of the basic science of Yoga. A well-trained Yoga Instructor should have mastery and practical knowledge of various Yogic practices. He should also have adequate theoretical knowledge on the basic principles and methods of Yogic practices. He must also possess knowledge on other systems of physical exercises. He should be well acquainted with the historical prospective of the system of Yoga Education and Practice and its literature apart from the suitable methods of teaching techniques of yoga in the modern context.

The Government also felt that Yoga should be a part of Institutional curriculum. Therefore this course DIPLOMA IN YOGA (D.Y.) has been designed a training programme. In order to give due emphasis to the practical and theoretical training with a well-planned syllabus, the course has been designed to one Academic Year.

OBJECTIVES OF THE COURSE

- ✓ To spread the message of positive health as taught in Yoga to people in asystematic and scientific manner.
- ✓ To provide a proper perspective and insight into various aspects of **Yogaeducation to the trainees.**

ELIGIBILITY

A pass in the Higher Secondary Examination (Academic/Vocational stream) conducted by the Government of Chhattisgarh or an examination accepted as equivalent thereto by the Syndicate, subject to such conditions as may be prescribed thereof.

REGULATIONS

The applicant enjoys an average level of health and is free from serious illness or defects. To this effect, the applicant shall produce a Medical Fitness Certificate from a Registered Medical Practitioner specifying that the said applicant is fit to

undergo intense practical training in all types of Yogic practices.

The candidates shall have subsequently undergone the prescribed course of study and shall pass the examinations prescribed, apart from fulfilling such other conditions as have been prescribed thereof.

DURATION

The course is for a period of one year and shall be conducted under Annual pattern.

DISTRIBUTION OF TEACHING HOURS

There shall be six papers in all. There shall be a total number of 300 actual contact hours. Each paper shall have 50 hours.

COURSE OF STUDY

Candidates shall be permitted to do the Diploma Course concurrently with their UG/PG Degree programmes. The course of study shall comprise theoretical instructions, supervised practical training in yoga practicals.

EXAMINATIONS

The University Examinations shall be conducted at the end of the course. Candidates shall be required to register for the entire Examination at the first appearance. A candidate who does not pass the examination in any subject(s) shall be permitted to appear in such subjects in the subsequent examinations.

SCHEME OF EXAMINATION

The scheme of examination shall be as follows: There shall be five theory papers of 100 marks each and one practical to test the practical competence in Yoga techniques of 100 marks. The practical examination shall also consist of verification, evaluation of Record Notebook and Yoga Practicals. The scheme shall be as below:

Diploma in Yoga

Diploma in yoga examination will be conducted in one year. Exam shall consist of FIVE THEORY PAPERS AND ONE PRACTICAL PAPER.

THEORY

PAPER	COURSE	DURATION	THEORY MARKS	TEACHER ASSESSMENT	TOTAL MARKS
1	Fundamentals of Yoga Education	3 Hrs	70	30	100
